**MULTIPLE LISTING SERVICE OF THE
GREATER LAS VEGAS ASSOCIATION OF REALTORS®
MLS RULES AND REGULATIONS**

PREAMBLE

The Multiple Listing Service of the Greater Las Vegas Association of REALTORS® (hereinafter “MLS”, “Multiple Listing Service”, or “Service”) is a wholly owned subsidiary of the Greater Las Vegas Association of REALTORS®, a Nevada nonprofit corporation, and is authorized and constituted under Article XVII of the Bylaws.

Adherence of the Code of Ethics of the NATIONAL ASSOCIATION OF REALTORS® shall be a privilege and obligation of a Member of the Multiple Listing Service. Non-member MLS Participants shall be required to adhere to and follow the MLS Standards of Conduct.

**SECTION 1
MLS DEFINED**

A Multiple Listing Service is a means by which authorized Participants make blanket unilateral offers of compensation to other Participants (acting as buyer agents, or in other agency or non-agency capacities defined by law); by which cooperation among participants is enhanced; by which information is accumulated and disseminated to enable authorized Participants to prepare appraisals, analyses, and other valuations of real property for bona fide clients and customers; by which Participants engaging in real estate appraisal contribute to common databases; and is a facility for the orderly correlation and dissemination of listing information among the Participants so that participants may better serve their clients and the public. Entitlement to compensation is determined by the cooperating broker’s performance as a procuring cause of the sale (or lease).

**SECTION 2
MEMBERSHIP DEFINED**

Section 2.0. Participation:

Any REALTOR® of this or any other Board who is a principal, partner, corporate officer, or branch office manager acting on behalf of a principal, without further qualification, except as otherwise stipulated in these bylaws, shall be eligible to participate in Multiple Listing upon agreeing in writing to conform to the rules and regulations thereof and to pay the costs incidental thereto.* However, under no circumstances is any individual or firm, regardless of membership status, entitled to Multiple Listing Service “membership” or “participation” unless they hold a current, valid real estate broker’s license and offer or accept compensation to and from other Participants or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property.** Use of information developed by or published by the Multiple Listing Service is strictly limited to the activities authorized under a Participant’s licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey “participation” or “membership” or any right of access to information developed by or published by a Board Multiple Listing Service where access to such information is prohibited by law.

A non-member applicant for MLS Participation who is a principal, partner, corporate officer or branch office

manager acting on behalf of a principal, shall supply evidence satisfactory to the MLS that has no record of recent or pending bankruptcy; has no record of official sanctions involving unprofessional conduct; agrees to complete a course of instruction as specified in Section 17 of these Rules and Regulations and shall pass such reasonable and non-discriminatory written examination thereon as may be required by the MLS; and shall agree that if elected as Participant, he will abide by such Rules and Regulations and pay the MLS fees and dues, including the non-member differential (if any), as from time to time established and agree to arbitrate contractual disputes with other Participants. Under no circumstances is any individual or firm entitled to MLS Participation or Membership unless they hold a current, valid Nevada real estate broker's license and offer or accept cooperation and compensation to and from other Participants, or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property. Use of information developed by or published by the Association's Multiple Listing Service is strictly limited to the activities authorized under a Participant's licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey Participation or Membership or any right of access to information developed by the Association's Multiple Listing Service where access to such information is prohibited by law. Non-Member Participants admitted to the Multiple Listing Service of the Greater Las Vegas Association of REALTORS® may not use the official registered Multiple Listing Service logo of the NATIONAL ASSOCIATION OF REALTORS®.

Note: Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm 'offers or accepts cooperation and compensation' means that the Participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS and/or to accept offers of cooperation and compensation made by listing brokers or agents in the MLS. "Actively" means on a continual and on-going basis during the operation of the Participant's real estate business. The "actively" requirement is not intended to preclude MLS participation by a Participant or potential Participant that operates a real estate business on a part time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a Participant or potential Participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the Participant or potential Participant as long as the level of service satisfies state law. The key is that the Participant or potential Participant actively endeavors to make or accept offers of cooperation and compensation with respect to properties of the type that are listed on the MLS in which participation is sought. This requirement does not permit an MLS to deny participation to a Participant or potential Participant that operates a Virtual Office Website ("VOW") (including a VOW that the Participant uses to refer customers to other Participants) if the Participant or potential Participant actively endeavors to make or accept offers of cooperation and compensation. An MLS may evaluate whether a Participant or potential Participant "actively endeavors during the operation of its real estate business" to "offer or accept cooperation and compensation" only if the MLS has a reasonable basis to believe that the Participant or potential Participant is in fact not doing so. The membership requirement shall be applied on a nondiscriminatory manner to all Participants and potential Participants.

Section 2.1. Participant or Designated REALTOR®:

Where the term REALTOR® is used in this explanation of policy in connection with the word "Member" or the word "Participant", it shall be construed to mean the REALTOR® principal or principals of this or any other Board/Association, or a firm comprised of REALTOR® principals participating in a Multiple Listing Service owned and operated by the Association. It shall not be construed to include individuals other than a principal or principals who are REALTOR® Members of this or any other Board/Association, or who are legally entitled to participate without Association membership. However, under no circumstances is any individual or firm, regardless of membership status, entitled to MLS "Membership" or "Participation" unless they hold a current,

valid real estate broker's license and are capable of offering and accepting cooperation and compensation to and from other Participants or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property.

Section 2.2. Subscriber:

The term "subscriber" refers to all non-principal brokers, sales licensees, and licensed and certified real estate appraisers affiliated with an MLS Participant and includes a Participant's affiliated unlicensed administrative and clerical staff, personal assistants, and individuals seeking licensure or certification as real estate appraisers provided that any such individual is under the direct supervision of an MLS Participant or the Participant's licensed designee, except those subject to fee waiver under the MLS's policies. If such access is available to unlicensed individuals, their access is subject to the Rules and Regulations, the payment of applicable fees and charges (if any), and the limitations and restrictions of state law. None of the foregoing shall diminish the Participant's ultimate responsibility for ensuring compliance with the Rules and Regulations of the MLS by all individuals affiliated with the Participant.

NOTE:

All Licensees affiliated with a Participant of the Multiple Listing Service shall be Subscribers of the Multiple Listing Service, except those that are subject to a fee waiver under Section 2.7 or those that are subscribers of the Greater Las Vegas Association of REALTORS® Commercial Alliance Las Vegas.

- (1) MLS Participant or the Participant's licensed designee shall be solely responsible for payment of any fees for unlicensed individuals.
- (2) Each Subscriber shall be personally responsible for all his/her financial obligations, except as noted in Section 3, or if the subscriber is dropped from an office without proper notification to the MLS by the close of business on the 25th day of the month of the return of the Subscriber's license to the Real Estate Division by the Broker. In the case of failure of timely notice to the MLS, the Broker will assume responsibility for all outstanding fees, fines, service charges and assessments owed by the subscriber to the MLS. All past due fees, fines and charges shall be paid by the Subscriber prior to transfer or reinstatement. Service to the MLS shall be withheld until such open charges are paid in full.

Section 2.3. Unlicensed Assistants:

Unlicensed Personal Assistants are limited in what they can legally do. The Broker/Employing agent is PERSONALLY RESPONSIBLE for their activities, not only in the MLS, but also to the Real Estate Division. The Division is the best source of information for what an unlicensed assistant may and may not do under state law. (See, e.g., Informational Bulletin 010, "Unlicensed Assistants" available at www.red.state.nv.us.) For purposes of the MLS only:

- a. Unlicensed personal assistants **may**:
 - Gather data and information through surveys.
 - Place signs.
 - Prepare CMA's.
- b. Unlicensed Personal Assistants **may not**:
 - Show property for sale. Except resident managers or employees of a property management company who manage an apartment complex.
 - Utilize lockbox/lockbox keys.
 - Discuss features of a property including location, schools or other features.

Discuss with or give MLS information to the public.

Access, Input, change and/or manipulate data in the MLS database unless under the direct supervision of a Subscriber or Participant.

Each MLS Participant shall be entitled to one administrative access for each MLS office at no cost to the MLS Participant. Additional administrative access may be purchased by the Participant at the then prevailing fee. The MLS Participant or the Participant's licensed designee shall be required to execute an application for each administrative access acknowledging personal responsibility for the actions of the unlicensed assistant each year in March, as part of the semi-annual billing process. Administrative access MAY NOT be used by a licensed individual for any reason.

Section 2.4. Lockbox System:

The lockbox system is designated as an activity of the Greater Las Vegas Association of REALTORS® and shall be administered as such.

Section 2.5. Inactivation of Membership:

A Participant in good standing may request inactive status to the MLS in writing. Such member in voluntary inactive status may re-enter the Service as a Participant provided, he shall meet all requirements of membership fees hereinafter set forth in Article 6, Section 3 of the GLVAR Bylaws.

Section 2.6. Return of Evidence of Membership:

In the event of suspension, termination, or resignation from the Service, or revocation of the right to participate in the Service, all evidences of membership in possession of the Participant and/or Subscriber shall be returned forthwith to the Service.

Section 2.7 Subscriber Fee Waivers:

MLS provides the option of a no-cost waiver of MLS fees, dues, and charges for any licensee or licensed certified appraiser in a participating office who (a) can demonstrate subscription to a different MLS where the principal broker for the office also participates; (b) is an exclusive on site-full time tract agent (the tract must be identified along with the time spent on site; (c) is ill (long term illness and be verified by doctors statement), or (d) is a member of a military reserve unit and is being placed on active duty during a military conflict (waiver of services and fees will continue until notification by the licensee and broker of her/his return from active duty). MLS requires waiver recipients and their participants to sign a certification for nonuse of MLS services, which includes penalties and termination of the waiver if violated.

Normally, under Section 2.2, any per-subscriber fee is calculated based on each salesperson and licensed or certified appraiser affiliated with a participating office. The effect of fee waiver is that the number of subscribers in a participating office for purposes of any recurring per-subscriber fees paid by a participant under Section 2.2 shall be reduced by the number of licensees and certified appraisers who are subject to waiver under this Section 2.7. For purposes of this Section 2.7 and all rule provisions referring to it, "licensee" refers to non-principal salespersons and licensed and certified appraisers. Section 2.7.1 sets out the conditions for fee waiver, Section 2.7.2 the process for obtaining and maintaining waivers, Section 2.7.3 circumstances under which waiver is revoked and consequences of revocation, and Section 2.7.4 the consequences of repeated violations of these policies.

Section 2.7.1 Conditions for Waiver:

Fee waivers are available for non-principal broker and non-principal appraiser licensees in offices participating in MLS, provided the participant and any fee-waived licensee(s) meet all the following requirements:

- a. Any fee-waived licensee must (i) be a subscriber in another multiple listing service; (ii) be an exclusive tract agent; (iii) suffer from a long-term illness; or (iv) be on active military duty
- b. During any period for which a licensee's fees are waived, the licensee shall refrain from using any of the following services of this MLS:
 1. Using this MLS's systems, databases, lockboxes, etc. This does not include accessing listing information of the licensee's own broker or of other brokers through the participant's IDX site or elsewhere. It does include accessing such information on the participant's VOW (which is for consumers' personal use).
 2. Being identified as a listing agent on an active or pending property listing in this MLS.
 3. Working as the selling agent on a property listed in this MLS by a firm other than participants, unless the listing appears in an MLS to which the selling agent is a subscriber. This does not apply to the fee-waived participant's own listings, because the participant is free to share them within its firm (and anywhere else) without MLS consent or involvement.
 4. Use of any data feed from this MLS (except one that includes listings only of the licensee's broker).
 5. Using this MLS's data on an IDX or VOW website identified as the fee-waived subscriber's site or page.
 6. Using MLS's data in an automated valuation product or tool in any product or service identified as coming from the fee-waived subscriber.

Section 2.7.2 Process for Obtaining and Maintaining Waivers:

The participant must at all times provide to MLS up-to-date information on all licensees, whether they are subscribers or fee-waived licensees, in each participating office. The participant must identify which licensees are subject to fee waivers and for each waived licensee the other MLS in which he/she is a subscriber on the waiver certification form or the other applicable basis for waiver.

In order to obtain a waiver for any licensee in the participant's office, the participant must execute the MLS's form for listing fee-waived licensees and the certification on it. Each fee-waived licensee must also execute a certification. In order to maintain a waiver for any licensee, the participant and licensee must continue to satisfy the requirements of Section 2.7.1 and must recertify (and obtain from the other MLS re-certifications) of the matters addressed in this section with the frequency set by this MLS.

Section 2.7.3 Revocation of Waiver:

The fee waiver for a licensee may be revoked under various circumstances, and the consequences of the revocation vary depending on its circumstances, as provided in this section.

- a. The participant or fee-waived licensee may revoke the waiver at any time upon notice to this MLS. In that case, the fee-waived licensee immediately becomes a subscriber and any fees due to MLS under its normal fee schedule for the current period for the subscriber (including pro-rata fees for any partial service period and any application fees if none have previously been paid for the subscriber) shall immediately become due and payable. In the event a fee-waived licensee appears as a listing agent on an active or pending listing in this MLS, the participant and fee-waived licensee shall be deemed to have revoked the waiver under this subsection (a).
- b. If this MLS determines that the fee-waived licensee has used any of the services of this MLS listed in Section 2.7.1(b) during a fee-waiver period, MLS may terminate the fee waiver upon notice to the participant and subscriber. In this case, the consequences of subsection (a) apply, and in addition to them,

MLS may recover from participant or subscriber all the fees MLS would have collected had the fee-waived licensee been a subscriber during the entire period of the waiver. After six months, the participant and subscriber can re-certify the subscriber to be a fee-waived licensee.

Section 2.7.4 Consequences of Repeated Violations:

A pattern of repeated violations of Section 2.7.1(b) exists when a participant allows any combination of three or more violations of Section 2.7.1(b), whether the participant is aware of the violations and whether committed by one fee-waived licensee or more; or when a subscriber commits three or more violations of Section 2.7.1(b). In the event that a participant or subscriber exhibits a pattern of repeated violations of Section 2.7.1(b), MLS may suspend all fee waivers for the participant or subscriber (or both) for a period of up to three years. If, after such a period of suspension, a participant or subscriber again exhibits a pattern of repeated violations, MLS may permanently terminate fee waivers for the participant or subscriber (or both). In the event a participant or subscriber subject to suspension or termination of waivers moves to a new office as a participant, that office shall be ineligible for waivers during the pendency of its participant's suspension or termination. In the event a participant or subscriber subject to suspension or termination of waivers moves to a new office as a non-principal licensee, that non-principal licensee shall be ineligible for waivers during the pendency of his or her suspension or termination.

Section 2.8(a) Personal Mail:

Personal Mail is to be used only if pertinent and specific to the receiving agent.

Section 2.8(b) General Mail:

General Mail is for information pertaining to real estate activities or the Association only, however, it is not to be used for Association Election Campaign messages. On a specific property the ML# must be included.

All service fees shall be paid semiannually in advance to MLS and are non-refundable. Fees shall be filed on the fifteenth day of the month preceding the beginning of the billing period and will be due on the first of the month following the billing. If not paid by the 5th of the month, access to the MLS System will be suspended and a late fee of Fifty Dollars (\$50.00) shall be assessed to the Subscriber. NOTE: If the 5th of the month falls on a Friday, weekend or holiday, access to the MLS System will be suspended on the following business day. Paying only one of the services or not paying the late fee will cause all services to remain suspended. On the 6th of the month, all outstanding fees shall be billed to the Broker with a notice that should any fees remain unpaid by the 25th of the month, service to the office will be suspended and all subscribers will be notified accordingly. Fees for unlicensed assistants shall be paid semiannually by the employing Participant and/or Subscriber. All fees including late fees are non-refundable. [amended 11/2018]

Any fine(s) incurred by a Member of the MLS must be addressed as provided in Appendix A – Fine Schedule of the MLS Rules. Members may request a hearing or an administrative review of any assessed fine as set forth in Section 12.1. If the fine is neither addressed via administrative review or paid as provided in Appendix A – Fine Schedule of the MLS Rules, then MLS services will be suspended. Suspension of MLS services for more

than Ninety (90) days for nonpayment of fine(s) shall result in the outstanding fine(s) being billed to the Broker with notice that should the fine(s) remain unpaid MLS service to the office will be suspended and all subscribers will be notified accordingly.

Section 3.1. Termination:

Participants or subscribers of the Multiple Listing Service who elect to drop the Multiple Listing Service shall be subject to an administrative fee of \$25.00 unless they submit a thirty (30) day written notice to the Multiple Listing Service. Section 3.2. Non-Member Processing Fees:

Any non-member applicant, prior to subscribing to the Multiple Listing Service shall pay an initial administrative processing fee of \$75.00.

SECTION 4 LISTING PROCEDURES

Section 4.0 Listing Procedures:

The service area of the Multiple Listing Service is the state of Nevada. Listings of real or personal property, which are listed subject to a real estate broker's license, located within the service area of the MLS, taken by Participants shall be delivered to the Multiple Listing Service within one (1) business days after all necessary signatures of Seller(s), Broker and Agent have been obtained, or within one (1) business day of marketing the property to the public, whichever is less. The MLS shall also accept valid property management agreements. The Broker having the right to add, change status, terms, and rental rate per the approved listing contract.

Methods of submitting listings to the Service shall be in accordance with the guidelines established by the Multiple Listing Service.

Note 1: The Multiple Listing Service shall not require a Participant to submit listings on a form other than the form the Participant individually chooses to utilize provided the listing is of a type accepted by the Service, although the standard "Property Data Form" designated by the Association is required by the Multiple Listing Service. However, the Multiple Listing Service, through its legal counsel may:

- (1) Reserve the right to refuse to accept a listing form which fails to adequately protect the interest of the public and Participant, and
- (2) Assure that no listing form filed with the Multiple Listing Service establishes, directly or indirectly, any contractual relationship between the Multiple Listing Service and the client (Buyer or Seller(s)).

The Multiple Listing Service shall accept Exclusive Right to Sell listing contracts and Exclusive Agency listing contracts, which make it possible for the listing broker to offer compensation to the other Participants of the Multiple Listing Service acting as buyer agents. The full gross listing price shall be stated in the contract. The MLS shall also accept valid property management agreements. The Broker having the right to add, change status, terms, and rental rate per the approved listing contract.

The Service shall not accept net listings because they are deemed unethical and, in most states illegal. Open listings are not accepted except where required by law because the inherent nature of an open listing is such as to usually not include the authority to cooperate and compensate other brokers and inherently provides a disincentive for cooperation.

The Service shall not accept any listing agreement that provides that cooperative compensation cannot be offered or paid to a cooperating broker if the purchaser holds a particular license or credential, engages in a particular trade or profession, or if the range of potential purchasers is otherwise arbitrarily restricted. This does not affect specifically named prospects in listing agreements as set forth below.

Note 2: A Multiple Listing Service does not regulate the type of listings its Members may take. This does not mean that a Multiple Listing Service must accept every type of listing. If it chooses to limit the kind of listings it will accept, it shall leave its Members free to accept such listings to be handled outside the Multiple Listing Service.

The listing agreement must include the Seller(s) authorization to submit the listing to the MLS.

NOTE: The following terms shall be defined as follows:

EXCLUSIVE RIGHT TO SELL LISTING:

A contractual agreement under which the listing broker becomes the agent of the seller(s) and the seller(s) agrees to pay a commission to the listing broker, regardless of whether the property is sold through the efforts of the listing broker, the seller(s) or anyone else; and a contractual agreement under which the listing broker becomes the agent of the seller(s) and the seller(s) agrees to pay a commission to the listing broker regardless of whether the property is sold through the efforts of the listing broker, the seller(s) or anyone else, except that the seller(s) may name one or more individuals or entities as exemptions in the listing agreement and if the property is sold to any exempted individual or entity, the seller(s) is not obligated to pay a commission to the listing broker.

EXCLUSIVE AGENCY LISTING:

A contractual agreement under which the listing broker becomes the agent of the seller(s) and the seller(s) agrees to pay a commission to the listing broker if the property is sold through the efforts of any real estate broker. If the property is sold solely through the efforts of the seller(s), the seller(s) is not obligated to pay a commission to the listing broker.

The Exclusive Right to Sell listing is the conventional form of listing submitted to the Multiple Listing Service in that the seller authorizes the listing broker to cooperate with and to compensate other brokers.

The Exclusive Agency listing also authorized the listing broker, as exclusive agent, to offer cooperation and compensation on blanket unilateral bases, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. Exclusive Agency listing and Exclusive Right to Sell listing with named prospects exempted should be clearly distinguished by a simple designation such as a code or symbol from Exclusive Right to Sell listing with no named prospects exempted, since they can present special risks of procuring cause controversies and administrative problems not posed by Exclusive Right to Sell listing with no named prospects exempted.

Care should be exercised to ensure that different codes or symbols are used to denote Exclusive Agency and Exclusive Right to Sell listings with prospect reservations.

The only listings acceptable to the Multiple Listing Service shall be:

1. Exclusive Right to Sell, Exchange or Lease
2. Exclusive Agency

TYPES OF PROPERTIES:

Following are the only types of properties that may be published through the Service and other types that may be filed with the Service at the Participant's option provided, however, that any listing submitted is entered into within the scope of the Participant's licensure as a real estate broker:

1. Single Family Residence
2. Condominium/Townhouses
3. High Rise
4. Mobile/Manufactured Housing
5. Multiple Dwelling (limited to Duplex, Triplex, Fourplex and House+)
6. Land (Residential & Commercial)

NOTE: Commercial and Professional Zoned Listings (Assessor Land Use Code) will not be accepted by the service with the exception of Land.

Section 4.1 Clear Cooperation:

Within one (1) business day of marketing a property to the public, the listing broker must submit the listing to the MLS for cooperation with other MLS participants. Public marketing includes, but is not limited to, flyers displayed in windows, yard signs, digital marketing on public facing websites, brokerage website displays (including IDX and VOW), digital communications marketing (email blasts), multi-brokerage listing sharing networks, and applications available to the general public.

NOTE: Exclusive listing information for required property types must be filed and distributed to other MLS Participants for cooperation under the Clear Cooperation Policy. This applies to listings filed under Section 4 and listings exempt from distribution under Section 4.5 of these MLS rules if it is being publicly marketed, and any other situation where the listing broker is publicly marketing an exclusive listing that is required to be filed with the service and is not currently available to other MLS Participants. Participants and Subscribers are required to submit accurate listing data and required to correct any know errors.

Listings must be added into the computer **only** in the class that concurs with the Assessor's Land Use Code.

Section 4.4(b) Approved Listings:

Any listing entered into the MLS must be on GLVAR approved forms and may be Exclusive Right to Sell or Exclusive Agency only. In furtherance of Section 14 of MLS Rules and Regulations and for the Participant's protection, a listing agreement should include language sufficient to grant the Participant license rights to any copyrighted material obtained from the Seller. **MLS Participants who use a form other than the ER or EA agreement forms available through GLVAR must provide a copy of that listing agreement form before entering the listing.** This includes any addenda that modify a previously approved agreement or GLVAR's form agreement. Listing agreements and/or addenda may be faxed to the MLS at 732-3154 or emailed to mls@lvrealtors.org. If an MLS audit of a Participant's listing reveals that an unapproved form is being utilized, then Participant will have five (5) business days to submit his/her listing agreement to the MLS for approval. Failure to submit the listing agreement in the prescribed time frame will result **in the audited** listings being deleted from the MLS system.

If the property is subject to auction the MLS will accept the following types of Auction Listings: (1) absolute and (2) reserve. All auction listings must be subject to a valid listing agreement; show a list price; offer unconditional cooperative compensation as set forth in these MLS Rules and Regulations and these policies; and provide for agency pursuant to Nevada law during the time the listing appears on the MLS.

Section 4.5 Office Exclusive Listings:

If a Seller and/or Owner refuses to permit the listing, including rental listings, to be disseminated by the Service, the Participant may then take the listing ("office exclusive") and such listing shall be filed with the service but not disseminated to the Participants. All office exclusive listings shall be filed with MLS staff, within 1 (one) business day after all necessary signatures of Seller(s), Broker and Agent have been obtained. Filing of the listing must be accompanied by certification signed by the Seller and/or Owner that he/she does not desire the listing to be disseminated by the Service. LVRMLS Office Exclusive Form may be used for this certification, or a form that contains substantially the same information, but must include (I) Seller's and or Owner's notarized signature (II) an advisory to the seller that, in using an office exclusive listing, (1) real estate agents and brokers from other real estate offices, and their buyer clients, who have access to the MLS may not be aware seller's property is for sale, (2) seller's property will not be included in the MLS' data feeds to various real estate internet sites that are used by the public to search for property listings, (3) real estate agents, brokers and members of the public may be unaware of the terms and condition under which the property is for sale, and (4) the reduction in exposure of the listing may lower the number of offers made on the property and may adversely impact the overall price, and (5) if the office exclusive listing is publicly marketed, the listing must be submitted to the Service for dissemination to other Participants in accordance with the Services' Clear Cooperation policy.

NOTE: MLS Participants must distribute office exclusive listings within one (1) business day once the listing is publicly marketed. See Section 4.1, Clear Cooperation.

Section 4.6 Changes in Status of Listing:

Any changes in listed price or other change in the original Listing Agreement shall be made only when authorized in writing by the Seller and shall be filed with the Service within two (2) business days, after obtaining all signatures, by way of the Multiple Listing Service system available to the Member.

Section 4.7 Withdrawal of Listing Prior to Expiration:

Listings of property may be withdrawn from the Multiple Listing Service by the listing broker before the expiration date of the listing agreement, provided notice is filed with the Service, including a copy of the agreement between the Seller(s) and the listing broker, which authorizes the withdrawal. The withdrawal may be conditional or unconditional.

Sellers do not have the unilateral right to require a Multiple Listing Service to withdraw a listing without the listing broker's concurrence. However, when a Seller(s) can document that his exclusive relationship with the listing broker has been terminated, the Multiple Listing Service may remove the listing at the request of the Seller(s).

Section 4.8 Contingencies Applicable to Listings:

Any contingency or conditions of any term in a listing (excepting financing) shall be specified and noticed to the Participants. Suggested acts are sale of buyer's property, release of liens, short sale approval, court approval, zoning approval and inspections.

Section 4.10 Property Addresses:

Residential listings filed with the MLS must include a property address where one exists at the time the listing is filed. If a property address is unavailable, then the parcel identification number must be submitted at the time the listing is filed. If no address or parcel identification number is available at the time the listing is filed, the listing must, at a minimum, contain a legal description of the property sufficient to describe the location of the property. This information shall be available to participants and subscribers at the time of the filing.

Section 4.11 Listing Multiple Parcel Properties:

All properties, which are to be or may be sold separately, must be indicated individually in the listing and on the property data form. When part of a listed property has been sold, proper notification should be given to the Multiple Listing Service.

Section 4.12 No Control of Commission Rates or Fees Charged by Participants:

The Multiple Listing Service shall not fix, control, recommend, suggest or maintain commission rates or fees for services to be rendered by Participants. Further, the Multiple Listing Service shall not fix, control, recommend, suggest or maintain the division of commissions or fees between cooperating Participants or between Participants and non-Participants.

Section 4.13 Expiration, Extension and Renewal of Listings:

Any listing filed with the Multiple Listing Service automatically expires on the dates specified in the agreement unless renewed by the listing broker and notice of renewal or extension is filed with the Service prior to expiration.

If notice of renewal or extension is dated after the expiration date of the original listing, then a new listing must be secured for the listing to be filed with the Service. It should then be published as a new listing. Any extension or renewal of a listing must be signed by the Seller(s) and be filed with the Service.

Section 4.14 Termination Date on Listings:

Listings filed with the Service shall bear a definite and final termination date, as negotiated between the listing broker and the seller(s).

Section 4.15 Service Area:

Only listings of the designated types of property located within the service area of the MLS are required to be submitted to the Service. Listing of property located outside the MLS's service area will be accepted if submitted voluntarily by a Participant, but are not required by the Service and may be charged a listing fee.

No properties may be entered for which an agent is not licensed in that state. A courtesy letter will be sent for failure to provide an out of state license number. If the violation is not corrected within two (2) business days a \$250 fine shall be assessed.

Section 4.16 Listings of Suspended Participants:

When a Participant of the Service is suspended from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, or Standards of Conduct for MLS Participation, Association Bylaws, MLS Rules and Regulations or Policies, or other membership obligation except failure to pay appropriate dues, fees or charges), all listings currently filed with the MLS by the suspended Participant shall, at the Participant's option, be retained in the Service until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the suspension became effective. If a Participant has been suspended from the Association (except where MLS participation without Association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees or charges, an Association MLS is not obligated to provide MLS services, including continued inclusion of the suspended Participant's listings in the MLS compilation of current listing information. Prior to any removal of suspended Participant's listings from the MLS, the suspended Participant should be advised, in writing, of the intended removal so that the suspended Participant may advise his clients.

Section 4.17 Listings of Expelled Participants:

When a Participant of the Service is expelled from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics or Standards of Conduct for MLS Participation, Association Bylaws, MLS Rules and Regulations or Policies, or other membership obligations except failure to pay appropriate dues, fees, or charges), all listings currently filed with the MLS shall, at the expelled Participant's option, be retained in the Service until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the expulsion became effective. If a Participant has been expelled from the Association (except where MLS Participation without Association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees or charges, an Association MLS is not obligated to provide MLS services including continued inclusion of the expelled Participant's listings in the MLS compilation of current listing information. Prior to any removal of an expelled Participant's listings from the MLS, the expelled Participant should be advised in writing of the intended removal so that the expelled Participant may advise his clients.

Section 4.18 Listings of Resigned Participants:

When a Participant resigns from the MLS, the MLS is not obligated to provide services, including continued inclusion of the resigned Participant's listings in the MLS compilation of current listing information. Prior to any removal of a resigned Participant's listings from the MLS, the resigned Participant should be advised in writing of the intended removal so that the resigned Participant may advise his clients.

Section 4.19 Transferring Listings:

A listing agreement between a broker and a seller cannot be assigned or transferred without the principal's written consent. The MLS without properly signed documentation will transfer no listing agreement.

Section 4.19(b) Property Ownership by deed:

SECTION 5 SELLING AND LEASING PROCEDURES

Section 5.0 Showings and Negotiations:

Appointments for showings and negotiations with the Seller(s) for the purchase of listed property filed with the Multiple Listing Service shall be conducted through the listing broker except under the following circumstances:

- (a) The listing broker gives the cooperating broker specific authority to show and/or negotiate directly; or
- (b) After reasonable effort, the cooperating broker cannot contact the listing broker or his representative. However, the listing broker, at his option, may preclude such direct negotiations by cooperating brokers.

NOTE: Negotiations Directly with Client: If a client has signed a waiver of the duty to present all offers as allowed by NRS 645.254, the listing broker must comply with NRS 645.635(2) and the applicable regulations in NAC 645 by using the "Authorization to Negotiate Directly" form prescribed by the Real Estate Division. Nevada law requires the listing broker to provide the fully Executed Authorization form to any cooperating broker who requests a copy. The listing broker must refer to the client's waiver and the Authorization in the Agent-to-Agent Remarks and attach the form to the listing in MLS. Compliance with this section satisfies the listing broker's duties under Sections 5 of MLS Rules and Regulations. A courtesy letter will be sent for failure to attach both required forms to the listing. If the violation is not corrected within two (2) business days a \$250 fine shall be assessed.

Section 5.1 Presentation of Offers:

The listing broker must make arrangements to present the offer as soon as possible, or give the cooperating broker a satisfactory reason for not doing so.

Section 5.2 Submission of Written Offers:

All written offers received by the listing office, whether from another broker or through the listing office, shall be time stamped by the listing office, with the date and time received. All offers must be presented to the Seller(s) in their chronological order. The listing broker shall submit to the Seller(s) all written offers until closing unless precluded by law, government rule, and regulation or agreed otherwise in writing between the Seller(s) and the listing broker. Unless the subsequent offer is contingent upon the termination of an existing contract, the listing broker shall recommend that the Seller(s) obtain the advice of legal counsel prior to acceptance of the subsequent offer.

Section 5.3 Right of Cooperating Broker in Presentation of Offers:

The cooperating broker or his representative has the right to participate in the presentation to the Seller(s) or Lessor(s) of any offer he secures to purchase or lease. He does not have the right to be present at any discussion or evaluation of that offer by the Seller(s) or Lessor(s) and the listing broker. However, if the Seller(s) or Lessor(s) gives written instructions to the listing broker that the cooperating broker not be present when an offer the cooperating broker secured is presented, the cooperating broker has the right to a copy of the Seller(s) written instructions. None of the foregoing diminishes the listing broker's right to control the establishment of appointments for such presentations. The listing office must present all offers as soon as possible, after all signatures are obtained.

Where the cooperating broker is not present during the presentation of the offer, the cooperating broker can request in writing, and the listing broker must provide written affirmation stating that the offer has been submitted to the seller, or when notification that the seller has waived the obligation to have the offer presented. [Amended 1/2019]

Section 5.4 Right of Listing Broker in Presentation of Counter-Offer:

The listing broker or his representative has the right to participate in the presentation of any counter-offer made by the Seller(s) or Lessor(s). He does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser or lessee. However, if the purchaser or lessee gives written instructions to the cooperating broker that the listing broker not be present when a counter-offer is presented, the listing broker has the right to a copy of the purchaser's or lessee's written instructions.

Section 5.5 Reporting Changes to the Service:

Sales, leases and the renewal, fulfillment or cancellation of contingencies shall be reported to the Service by the listing office within two (2) business days, after all signatures have been obtained. The listing office shall be responsible for all notices to the Service as required when member offices or non-member offices sell properties in the Service. All closed sales and sales prices shall be reported to the Association within two (2) business days.

Sales of listed property shall be reported promptly to the MLS by listing brokers unless negotiations were carried on directly between a cooperating participant and the seller. In those instances, status changes, including final closing of sales, shall be reported to the multiple listing service by the listing broker within 48 hours after acceptance and recordation. If negotiations were carried on under Section 2* hereof, the cooperating broker shall report the accepted offers and prices to the listing broker within 48 hours after acceptance and the listing broker shall report the status change to the MLS within 48 hours after receiving notice from the cooperating broker.

*This section refers to negotiations carried on when the listing agent has authorized the selling agent to deal directly with the buyer.

Note 1: The listing agreement of a property filed with the MLS by the listing broker should include a provision

expressly granting the listing broker authority to advertise; to file the listing with the MLS; to provide timely notice of status changes of the listing to the MLS; and to provide sales information including selling price to the MLS upon sale of the property. If deemed desirable by the MLS to publish sales information prior to final closing (settlement) of a sales transaction, the listing agreement should also include a provision expressly granting the listing broker the right to authorize dissemination of this information by the MLS to its participants.

Note 2: In disclosure states, if the sale price of a listed property is recorded, the reporting of the sale price may be required by the MLS.

In states where the actual sale prices of completed transactions are not publicly accessible, failure to report sale prices can result in disciplinary action only if the MLS:

1. categorizes sale price information as confidential; and
2. limits use of sale price information to participants and subscribers in providing real estate services, including appraisals and other valuations, to customers and clients; and to governmental bodies and third-party entities only as provided below.

The MLS may provide sale price information to governmental bodies only to be used for statistical purposes (including use of aggregated data for purposes of valuing property) and to confirm the accuracy of information submitted by property owners or their representatives in connection with property valuation challenges; and to third-party entities only to be used for academic research, statistical analysis, or for providing services to participants and subscribers. In any instance where a governmental body or third-party entity makes sale price information provided by the MLS available other than as provided for in this provision, a listing participant may request the sale price information for a specific property be withheld from dissemination for these purposes with written authorization from the seller, and withholding of sale price information from those entities shall not be construed as a violation of the requirement to report sale prices.

Note 3: As established in the Virtual Office Website (“VOW”) policy, sale prices can only be categorized as confidential in states where the actual sale prices of completed transactions are not accessible from public records.)

Section 5.6 Advertising of Listing Filed with Service:

A listing shall not be advertised by any Participant, other than the listing broker, without the prior consent of the listing broker. However, Participants that have not specifically declined ("opt-out") may display the current IDX Listings on their Internet web sites pursuant to these Rules and Regulations and GLVAR's MLS Policies. For listings advertised on the Internet, Participant must obtain seller's authorization to place their listing on the Internet. All information so placed shall be of a general nature; no confidential information shall be used. For purposes of these rules, confidential information includes but is not limited to the following fields: Resident Name, Resident Phone Number, Showing Description, Gate Code, Combo Lockbox and Agent to Agent remarks.

The listing broker shall report immediately to the Multiple Listing Service the cancellation of any pending sale, and the listing shall be reinstated immediately.

Section 5.8 Delivery to Buyer and Seller(s):

A copy of the signed and dated purchase contract shall be presented immediately to the Buyer(s) and Seller(s).

SECTION 6 REFUSAL TO SELL

Section 6.0 Refusal to Sell:

If the Seller(s) of any listed property filed with the Multiple Listing Service refuses to accept a written offer satisfying the terms and conditions stated in the listing, such fact shall be transmitted immediately to the Service and to all Participants.

SECTION 7 PROHIBITIONS

Section 7.0 Information for Participants Only:

Any listing filed with the Service shall not be made available to any broker or firm not a Member of the MLS without the prior consent of the listing broker. A participant with licensees who are subject to a fee waiver under Section 2.7 may not make available to those licensee's listings of other brokers in the MLS. The preceding sentence does not prohibit a licensee from accessing listing records from another MLS or from any other source lawfully available to the licensee.

Section 7.1 "For Sale" Signs:

Only the "For Sale" sign of the listing broker may be placed on a property.

Section 7.2 "Sold" Signs:

Section 7.3 Solicitation of Listings Filed with the Service:

Participants shall not solicit a listing on property filed with the Service unless such solicitation is consistent with Article 16 of the REALTORS® Code of Ethics, its Standards of Practice and its Case Interpretations. The prohibition in the previous sentence applies to licensees affiliated with a participant who are subject to a fee waiver under Section 2.7.

Section 7.4 Seller(s) Exclusions:

If a Seller(s) wishes to exclude a specific Participant or Subscriber from compensation he may do so in writing to his listing agent. The listing agent shall notify in writing said excluded Participant or Subscriber and MLS immediately upon receipt of the letter. Such information will remain confidential and shall not be disseminated outside the parties directly involved.

Section 7.5 Services Advertised as "Free"

MLS participants and subscribers must not represent that their brokerage services to a client or customer are free or available at no cost to their clients, unless the participant or subscriber will receive no financial compensation from any source for those services.

Section 7.6 Non-filtering of Listings

MLS participants and subscribers must not, and MLSs must not enable the ability to, filter out or restrict MLS listings that are searchable by and displayed to consumers based on the level of compensation offered to the cooperating broker or the name of a brokerage or agent.

SECTION 8 DIVISION OF COMMISSIONS

Section 8.0 Compensation Specified on Each Listing:

The listing broker shall specify, on each listing filed with the Multiple Listing Service, the compensation offered to other Multiple Listing Service Participants for their services in the sale of such listing.

Such offers are unconditional except that entitlement to compensation is determined by the cooperating broker's performance as the procuring cause of the sale (or lease). The listing broker's obligation to compensate any cooperating broker as the procuring cause of the sale (or lease) may be excused if it is determined through arbitration that, through no fault of the listing broker and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing broker to collect a commission pursuant to the listing agreement. In such instances, entitlement to cooperative compensation offered through MLS would be a question to be determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially unfeasible for the listing broker to collect some or all of the commission established in the listing agreement; at what point in the transaction did the listing broker know (or should have known) that some or all of the commission established in the listing agreement might not be paid; and how promptly had the listing broker communicated to cooperating brokers that the commission established in the listing agreement might not be paid.

Note 1: In filing a property with the Multiple Listing Service of an Association of REALTORS® the Participant of the Service is making blanket unilateral offers of compensation to the other MLS Participants, and shall therefore specify, on each listing filed with the Service, the compensation being offered to the other MLS Participants. Specifying the compensation on each listing is necessary, because the cooperating broker has the right to know what his compensation shall be prior to his endeavor to sell.

Section 8.0(a) Participants must disclose, in the appropriate data field, potential short sales when reasonably known to the listing participant. When disclosed, the listing participant may, at his/her discretion, advise other participants whether and how any reduction in the gross commission established in the listing agreement, required by the seller's lender(s) as a condition of approving the short sale, will be apportioned between the listing and cooperating participants. Such communication regarding the commission must be made in Agent-to-Agent remarks.

Section 8.0(b) Participants must disclose, in the appropriate data field, that a sale is subject to court approval when reasonably known to the listing participant. When disclosed, the listing participant may, at his/her discretion, advise other participants whether and how any reduction in the gross commission established in the listing agreement, required by the court as a condition of approving the sale, will be apportioned between the listing and cooperating participants. Such communication regarding the commission must be made in Agent-to-Agent remarks prior to the time they submit an offer that ultimately results in a successful transaction.

Section 8.0(c) The listing Broker may, from time to time, adjust the compensation being offered to other MLS Participants for their services with respect to any listing, by advance published notice to the Service so that all Participants will be advised. In addition, buyer/tenant agents or brokers shall not use the terms of an offer to purchase/lease to attempt to modify the listing broker's offer of compensation. Compensation is generally due upon closing of the sale or lease (i.e., lease date). Unless the Participants are engaged in a dispute over compensation, cooperative compensation as offered through the MLS should be paid within 30 days of closing, including rental listings. Cooperative compensation offered through the MLS is payable by the listing Participant, not the seller or owner, and (subject to this Section 8) a mere delay in obtaining payment from the seller or owner

is not a valid reason to delay paying cooperative compensation.

Amount of Compensation:

The listing broker retains the right to determine the amount of compensation offered to other Participants (acting as buyer agents, or in other agency capacities defined by law) which may be the same or different. This shall not preclude the listing Participant from offering any MLS Participant compensation other than the compensation indicated on any listing published by the service provided the listing broker informs the other Participant, in writing, in advance of his/her submitting an offer to purchase or sales agreement, and provided that the modification in the specified compensation is not the result of any agreement among all or any other Participants in the service. Any superseding offer of compensation must be expressed as either a percentage of the gross sales price or as a flat dollar amount.

Compensation Negotiations:

The Association Multiple Listing Service shall not have a rule requiring the listing broker to disclose the amount of total negotiated commission in his listing contract, and the Association Multiple Listing Service shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a Participant. The Association Multiple Listing Service shall not disclose in any way the total commission negotiated between the Seller(s) and the listing broker.

Forms of Compensation Offered:

The compensation specified on listings filed with the Multiple Listing Service shall appear in one of two forms. The essential and appropriate requirement by an Association Multiple Listing Service is that the information to be published shall clearly inform the Participants as to the compensation they will receive in cooperative transactions, unless advised otherwise by the listing broker, in writing, in advance of submitting an offer to purchase. Each listing must include entry of a value describing the offer of compensation. The amount entered may be any value, from zero and greater. LVR MLS does not set or suggest compensation values or the cooperative division of compensation. The compensation specified on listings published by the MLS shall be shown in one of the following forms

1. by showing a percentage of the gross selling price
2. by showing a definite dollar amount

Multiple Listing Services shall not publish listings that do not include an offer of compensation expressed as a percentage of the gross selling price or as a definite dollar amount, nor shall they include general invitations by listing brokers to other Participants to discuss terms and conditions of possible cooperative relationships.

Note 2: Adjustment of Compensation:

The listing broker may, from time to time, adjust the compensation being offered to other Multiple Listing Service Participants for their services with respect to any listing by advance published notice to the Service so that all Participants will be advised.

Note 3: Division of Compensation:

The Multiple Listing Service shall make no rule on the division of commissions between Participants and non-participants. This should remain solely the responsibility of the listing broker.

Note 4: Bonus:

The offer of a bonus on a sale should be stated under the following conditions:

- * If the sale occurs within a specific time frame.
- * Negotiations on a bonus between Brokers must be in writing prior to offer presentation and may not be included on an offer or counter-offer between buyer and seller.

Section 8.1 Participant as Principal:

If a Participant or any licensee (including licensed and certified appraisers) affiliated with the Participant wishes to acquire an interest in property listed with another Participant, such contemplated interest shall be disclosed, in writing, to the listing broker not later than the time an offer to purchase is submitted to the listing broker.

Section 8.2 Participant as Purchaser:

If a Participant or any licensee (including licensed and certified appraisers) affiliated with a Participant wishes to acquire an interest in property listed with another Participant, such contemplated interest shall be disclosed, in writing, to the listing broker not later than the time an offer to purchase is submitted to the listing broker.

Section 8.3 Dual or Variable Rate Commission Arrangements:

The existence of a **DUAL** or **VARIABLE** rate commission arrangement (i.e., one in which the seller agrees to pay a specified commission if the property is sold/leased by the listing broker without assistance and a different commission if the sale/lease results through the efforts of a cooperating broker; or one in which the seller agrees to pay a specified commission if the property is sold/leased by the listing broker either with or without the assistance of a cooperating broker and a different commission if the sale lease results through the efforts of a seller) shall be disclosed by the listing broker by a key, code, or symbol as required by the MLS. The listing broker shall, in response to inquiries from potential cooperating brokers, disclose the differential that would result in either a cooperative transaction or alternatively, in a sale/lease that results through the efforts of the seller. If the cooperating broker is a buyer/tenant representative, the buyer/tenant representative must disclose such information to their client before the client makes an offer to purchase or lease.

Section 8.4 No Compensation for Fee-Waived Selling Salesperson

The listing broker's obligation to compensate any cooperating broker as the procuring cause of the sale (or lease) shall be excused if it is determined through arbitration that the selling salesperson affiliated with the cooperating broker was subject to fee waiver under Section 2.7 at any time between the offer to purchase and the closing of the sale.

Section 8.5 Display of Listing Broker's Offer of Compensation

MLSs must include the listing broker's offer of compensation for each active listing displayed on its consumer-facing website(s) and in MLS data feeds provided to participants and subscribers and must permit MLS participants or subscribers to share such information through IDX and VOW displays or through any other form or format provided to clients and consumers. The information about the offer of compensation must be accompanied by a disclaimer stating that the offer is made only to participants of the MLS where the listing is filed.

The listing broker's offer of compensation is made only to participants of the MLS where the listing is filed.

SECTION 9 LISTING REQUIREMENTS

Section 9.1 Standard Forms:

The Multiple Listing Service standard forms shall not be used by anyone except the Subscribers of the Service.

Section 9.2 Sold Prior To Filing with Service:

If in a gated community, gate will not be acceptable as front photo. The MLS will notify the agent of the violation. SECTION 10 COMPLIANCE WITH RULES

Section 10.0 Authority to Impose Discipline:

By becoming and remaining a participant or subscriber in this MLS, each participant and subscriber agrees to be subject to the rules and regulations and any other MLS governance provision. Each participant is subject to these rules with regard to licensees affiliated with the participant who are subject to fee waiver under Section 2.7. The MLS may, through the administrative and hearing procedures established in these rules, impose discipline for

violations of the rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following

- a. letter of warning
- b. letter of reprimand
- c. attendance at MLS orientation or other appropriate courses or seminars which the participant or subscriber can reasonably attend taking into consideration cost, location, and duration
- d. retroactive fees related to any licensee granted a fee waiver under Section 2.7 in the event the MLS determines that the licensee made any use of MLS services prohibited in Section 2.7 during the period of waiver
- e. appropriate, reasonable fine not to exceed \$15,000
- f. suspension of MLS rights, privileges, and services for not less than thirty (30) days nor more than one (1) year
- g. termination of MLS rights, privileges, and services with no right to reapply for a specified period not to exceed three (3) years.

Note: A participant (or user/subscriber, where appropriate) can be placed on probation. Probation is not a form of discipline. When a participant (or user/subscriber, where appropriate) is placed on probation the discipline is held in abeyance for a stipulated period of time not longer than one (1) year. Any subsequent finding of a violation of the MLS rules during the probationary period may, at the discretion of the Board of Directors, result in the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the probationary status and the suspended discipline are considered fulfilled, and the individual's record will reflect the fulfillment. The fact that one or more forms of discipline are held in abeyance during the probationary period does not bar imposition of other forms of discipline which will not be held in abeyance.

Section 10.1 Compliance with Rules:

The following action may be taken for noncompliance with the rules:

- a. For failure to pay any service charge or fee within one (1) month of the date due, and provided that at least fifteen (15) days' notice has been given, the Service shall be automatically suspended until service charges, fees or fines are paid in full or other arrangements satisfactory to the MLS are made
- b. For failure to comply with any other rule, the provisions of Sections 9 and 9.1 shall apply.

Section 10.2 Applicability of Rules to Users and/or Subscribers:

Participants, Subscribers, non-principal brokers, sales licensees, appraisers and others authorized to have access to information published by the MLS are subject to these Rules and Regulations and may be disciplined for violations thereof provided that the user or subscriber has signed an agreement acknowledging that access to and use of MLS information is contingent on compliance with the Rules and Regulations. Further failure of any user or subscriber to abide by the rules and/or any sanction imposed for violations thereof can subject the Participant to the same or other discipline. The participant is subject to these rules with regard to licensees affiliated with the participant who are subject to fee waiver under Section 2.7. This provision does not eliminate the Participant's ultimate responsibility and accountability for all users or subscribers affiliated with the Participant.

Section 10.3 Restoration of Privileges:

In no event shall the rights and privileges of membership be restored until all outstanding fees, charges or assessments have been paid and violations, if any, have been brought into compliance with these Rules & Regulations and Policies.

Section 10.4 Public and Private ID's:

The Multiple Listing Service shall issue to every MLS Participant, the Subscriber licensees and administrative

assistants affiliated with the Participant and licensed or certified appraisers who have access to and use of the MLS through the Participant, a Public and Private ID. The Private ID shall not be loaned, shared, disclosed or allowed to come into the possession of any other person with the exception of the Designated REALTOR® and/or Office Administrator, who shall be required to keep all Private IDs in their possession strictly confidential. The Public and Private IDs shall be limited in their use to only the purposes permitted by the Rules and Regulations of the Multiple Listing Service and shall be used for no other purposes whatsoever. Disclosure of a Private ID which results in access to the Multiple Listing Service by an unauthorized third party (i.e., any person other than the broker and his/her agent is a "third party") whether such disclosure is the result of intention or negligence, the Subscriber shall be subject to the following sanctions: first offense, \$500.00; second offense, \$1,000.00; third offense, revocation of ID.

SECTION 11 RULES OF SUSPENSION/SANCTION

Section 11.1 Grounds for Suspension of Service from the Multiple Listing Service:

Any member found to have failed to abide by a membership duty (i.e., violation of the Code of Ethics, or Standards of Conduct for Multiple Listing Service participation, Association Bylaws, MLS Rules and Regulations or Policies of the MLS, or other membership obligation) may be suspended from the service, provided there has been appropriate notification of the violation, the member's right of due process has been properly fulfilled and the member has received sufficient advance notification of the intent to suspend service to notify their clients. For failure of any member to pay appropriate dues, fees, fines or charges in a timely manner MLS service may be suspended. Fifteen (15) days prior to suspension for non-payment the member must be mailed notice of possible suspension with similar notification to the Broker. In case of suspension for non-payment, member service will be re-instated upon full payment of outstanding funds. If a member is suspended or expelled from REALTOR® membership for violation of the Code of Ethics or for any other reason that licensee shall not have any access to the MLS as a non-member.

Section 11.2 Broker Supervision of Member Subscribers:

It is the responsibility of the Participant to maintain adequate supervision of a salesman or broker-salesman associated with him. If a salesman or broker-salesman is found to be in repeated violation of these Rules & Regulations or the Policies of the MLS, the Participant may be requested to appear before the MLS and may be assessed fines or sanctions equal to those assessed to the associate.

SECTION 12 ENFORCEMENT OF RULES OR DISPUTES

Section 12.0 Consideration of Alleged Violations:

The MLS shall give consideration to all written complaints having to do with violations of the Rules and Regulations. By becoming and remaining a participant, each participant agrees to be subject to these rules and regulations, the enforcement of which are at the sole discretion of the MLS Board of Directors.

When requested by a complainant, MLSs must provide a process for processing complaints without revealing the complainant's identity. If the complaint is forwarded to hearing, then the MLS Committee, Grievance Committee, MLS staff or other representative must serve as the complainant when the original complainant does not consent to participating in the process or the disclosure of his or her name.

Section 12.1 Violations of Rules and Regulations:

In any instance where a participant in an association multiple listing service is charged with violation of the MLS bylaws or rules and regulations of the service, and such charge does not include alleged violations of the Code of Ethics or the Standards of Conduct for MLS participants, or a request for arbitration, the MLS may impose administrative sanctions. Recipients of an administrative sanction may request a hearing before the professional standards committee of the Association.

MLS participants and subscribers can receive no more than three (3) administrative sanctions in a calendar year before they are required to attend a hearing for their actions and potential violations of MLS rules, except that the MLS may allow more administrative sanctions for violations of listing information provided by participants and subscribers before requiring a hearing. The MLS must send a copy of all administrative sanctions against a subscriber to the subscriber's participant and the participant is required to attend the hearing of a subscriber who has received more than three (3) administrative sanctions within a calendar year.

Appeals

If the participant refuses to accept any sanction or discipline proposed, the circumstances and the discipline proposed shall be appealed to the LVR Board of Directors which shall, if it deems the finding of violation proper and the sanction appropriate to the offense, delay the effective date of sanction until final entry by a court of competent jurisdiction in a suit filed by the association for declaratory relief, except in those states where declaratory relief is not available, declaring that the disciplinary action and proposed sanction violates no rights of the multiple listing service participant. If the MLS Board of Directors has a procedure established to conduct hearings, the decision of the MLS committee may be appealed to the LVR Board of Directors. If a separately incorporated MLS has an established procedure for the conduct of hearings, the decisions of the hearing tribunal shall be appealable to the Board of Directors of the MLS. *(Adopted 1/21)*

Section 12.2 Audit Compliance:

Audits are performed only when a written complaint is filed with the service from a member of GLVAR and must be complied with within five (5) business days. The results of audits are held in strictest confidence. It is imperative that all printouts and documentation regarding a listing on the Multiple Listing Service be maintained in the Brokers' files for audit purposes and required by the Nevada Revised Statutes.

Procedures and Authorization for Audits

2. Form submitted to the MLS Dept for authorization to audit.
3. Audit/Reviewer initiates

6. Upon review of an MLS audit, it is discovered that the participant or subscriber has falsified documents related to the audit the MLS Board at their discretion may impose discipline as outlined in MLS Rules and Regulations Section 10.0 Authority to Impose Discipline.

Failure to submit applicable paperwork within five (5) business days for an audit is a violation of an MLS

membership duty and will result in a fine of \$100.00, the issuance of a fifteen (15) day notice of suspension and a second audit letter. A fine of \$250.00 will be assessed for failure to respond within five (5) business days on the second request letter. If no response is received prior to the suspension date set forth in the notice, the member's MLS services will be suspended. Services will only be restored in accordance with Section 10.3 of the MLS Rules and Regulations.

Section 12.3 Complaints of Unethical Conduct:

Alleged violations of the Code of Ethics or the Standards of Conduct for MLS participants shall be referred to the Association's grievance committee for processing in accordance with the professional standards procedures of the Association. If the charge alleges a refusal to arbitrate, such charge shall be referred directly to the LVR Board of Directors. (*adopted 1/21*)

Section 12.4 Process and Remedies for Violations:

The Multiple Listing Service reserves the right to establish a schedule of fines, approved by the Board of Directors, for violations of the Rules and Regulations, which shall apply as specified in the Policies of the Multiple Listing Service.

Section 12.4(a) Warning:

The MLS will contact the member and his/her Broker/Manager first to correct a violation. If the violation is not corrected within the time stated in the letter, the MLS will take the following action. (Note: if the member terminates membership or transfers to another office and the listing stays with the Broker, the following actions will be taken against the Broker. The Broker remains responsible for the listing unless/until it is transferred to a new broker.)

If corrected within two (2) business days or the time period stated in the letter, no fine will be assessed, except for those violations described in Appendix A that have an automatic fine or specify that no warning will be provided.

Failure to make necessary corrections within two (2) business days or the time period stated in the letter will result in a fine being assessed according to the fine schedule set forth in Appendix A. Failure to correct the violation within ten (10) business days after the fine has been assessed will result in an additional fine being assessed to the member's account.

Failure to pay the fine(s) within Fifteen (15) business days will result in MLS access suspension until the fine has been paid. A Fifteen (15) business day notice that MLS access will be suspended will be issued thereafter. MLS access will be suspended and will not be reinstated until the violation is corrected and the fine paid.

Section 12.4(b) Compliance Options:

You have the following options when you have received a fine:

- a. Pay the fine and correct the violation within Fifteen (15) business days following assessment of the fine, or
- b. Correct the violation prior to submitting a request for adjustment to the MLS within Fifteen (15) business days of the assessment or
- c. Correct the violation and within Fifteen (15) business days of the date of assessment register for the MLS Refresher Class (class must be taken within Sixty (60) business days of assessment of the fine). A (non-refundable) administrative fee of \$50.00 will be due upon registration for the MLS Refresher Class. If agent agrees to attend class and fails to attend within the prescribed time period, the fine will be doubled in addition to MLS service being suspended until assessment is paid. **NOTE: Agents are only allowed to take the MLS Refresher Class once within a twelve (12) month time frame. (amended 8/2018)**

Section 12.4(c) Repeat Violations:

Consistent and continued notification of violations (over three [3] fines per year) on your listings by the MLS and/or upon written complaints by members to the MLS, or repeated violations of the Clear Cooperation Policy (Section 4.1) will place you in a repeat offender status. The 12-month period shall commence from the date of the first offense. The repeat offender will be assessed a \$1,000.00 fine, and will be referred to the MLS. For repeated violations of the Clear Cooperation Policy, Participant and/or Subscriber will be required to appear before the MLS Board of Directors and will be assessed the consequences, consistent with these MLS Rules and Regulations, as determined by the MLS Board of Directors. Repeat Offender status may be cause for suspension of services and other sanctions as determined by the MLS.

For offenses other than violations of the Clear Cooperation Policy, first offense fine pays the fine or take MLS approved class or file a Request for Adjustment with the MLS. Second offense of the same violation must take MLS approved class or pay the fine. **NOTE: Agents are only allowed to take the MLS Refresher Class once within a twelve (12) month time frame.**

Third offense of the same violation \$1,000.00 fine and referral to the MLS.

It is the responsibility of the Participant to maintain adequate supervision of a salesman or broker-salesman associated with the Participant. If a salesman or broker-salesman is found to be in repeated violation of these Policies and the Rules & Regulations of the MLS, the Participant may be requested to appear before the MLS and may be assessed fines or sanctions equal to those assessed to the associate. (MLS Rules & Regulations Section 11.2 Broker Supervision of Member Subscribers). Such decisions of the MLS are appealable to the GLVAR Board of Directors.

The MLS may request the Association to investigate any infraction for possible violation of the Code of Ethics.

Section 12.4(d) Appeals to the MLS

When a Member has addressed a fine(s) through either a Request for Adjustment that has been denied or has taken the MLS approved Refresher Class within the past twelve (12) months and wishes to appeal the fine to the MLS Board of Directors or a committee of the Board of Directors, the Member must complete the approved MLS Fine Appeal Form and submit applicable paperwork to the MLS within five (5) business days prior to a scheduled MLS Board of Directors meeting. Failure to submit the paperwork within the time frame described herein may result in the appeal being denied by the MLS. Furthermore, if an appeal is granted and the Member fails to attend the appeal without proper notification, the MLS Board of Directors or applicable committee may deny a further appeal on the fine(s) in question and the fine may be deemed upheld.

Section 12.5 Billing and Payment:

All fines will be billed to the Subscriber with notice to the Participant, and fines must be paid within fifteen (15) days of the assessment of the fine. Any fines not paid within fifteen (15) days of the assessment of the fine will be added to the next semiannual MLS bill and become a part of the regular MLS bill. The Participant or Subscriber has the right to appeal to the MLS in which case the fine will be stayed until final disposition.

Section 12.6 Infractions by MLS Director or licensee of Director's firm:

In the event a possible infraction involving an MLS Director or a subscribing licensee in his or her firm is to be considered by the MLS, that Director shall be excluded from any MLS deliberation involving said infraction.

SECTION 13

CONFIDENTIALITY OF MLS INFORMATION

Section 13.0 Confidentiality of MLS Information:

Any information provided by the Multiple Listing Service to the Participants shall be considered official information of the service. Such information shall be considered confidential and exclusively for the use of Participants and real estate licensees affiliated with such Participants, entitled to access, and those Participants who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property and licensed or certified appraisers affiliated with such Participants entitled to access.

Section 13.1 MLS Not Responsible for Accuracy of Information:

The information published and disseminated by the Service is communicated, verbatim, without change by the Service, as filed with the Service by the Participant. The Service does not verify such information provided and disclaims any responsibility for its accuracy. Each Participant agrees to hold the Service harmless against any liability arising from any inaccuracy or inadequacy of the information such Participant provides. In this regard, any IDX Listings displayed by a Participant on their web site or selected national aggregator must include a disclaimer stating, "This information is deemed reliable but is not guaranteed."

Section 13.2 Access to Comparable and Statistical Information:

Association members who are actively engaged in real estate brokerage, management, mortgage financing, appraising, land development, or building, but who do not participate in the MLS, are nonetheless entitled to receive, by purchase or lease, all information other than current listing information that is generated wholly or in part by the MLS, including "comparable" information, "sold" information and statistical reports. This information is provided for the exclusive use of Association members and individuals affiliated with Association members who are also engaged in the real estate business and may not be transmitted, re-transmitted or provided in any manner to any unauthorized individual, office or firm except as otherwise provided in these Rules and Regulations.

SECTION 14

OWNERSHIP OF MLS COMPILATIONS* AND COPYRIGHTS

Section 14.0

By the act of submitting any property listing content to the MLS, the Participant represents and warrants that he or she is fully authorized to license the property listing content as contemplated by and in compliance with this section and these rules and regulations and also thereby does grant to the MLS to include the property listing content in its copyrighted MLS compilation and also in any statistical report on comparables. Listing content includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to listed property.

Each participant who submits listing content to the MLS agrees to defend and hold the MLS and every other participant harmless from and against any liability or claim arising from any inaccuracy of the submitted listing content or any inadequacy of ownership, license, or title to the submitted listing content. [Amended 1/2019]

Section 14.1

All right, title, and interest in each copy of every Multiple Listing compilation created and copyrighted by the Greater Las Vegas Association of REALTORS® and in the copyrights therein, shall at all times remain vested in the Greater Las Vegas Association of REALTORS®. It is a violation to alter any copyrighted MLS information including but not limited to MLS printouts, photos, etc. if a participant or subscriber is in violation of altering MLS copyrighted information, they may be subject to a \$1000 automatic fine for each occurrence.

Section 14.2

Each Participant shall be entitled to lease from the Greater Las Vegas Association of REALTORS®* a number of copies of each MLS compilation sufficient to provide the Participant and each person affiliated as a licensee (including licensed or certified appraisers) with such Participant, with one copy of such compilation. The Participant shall pay for each such copy the rental fee set by the Association. Participants shall acquire by such lease only the right to use the MLS compilations in accordance with these Rules.

*NOTE: The term "MLS Compilation," as used in Sections 11 and 12 herein, shall be construed to include any format in which property listing data is collected and disseminated to the Participants, including, but not limited to, bound book, loose-leaf binder, computer database, card file or any other format whatsoever.

SECTION 15 USE OF COPYRIGHTED MLS COMPILATIONS

Section 15.0 Distribution:

Participants shall at all times maintain control over and responsibility for each copy of any MLS compilation leased to them by the Greater Las Vegas Association of REALTORS®, and shall not distribute any such copies to persons other than Subscribers who are affiliated with such Participant as licensees, those individuals who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property and any other Subscribers as authorized pursuant to the governing documents of the MLS. Use of information developed by or published by an Association Multiple Listing Service is strictly limited to the activities authorized under a Participant's licensure(s) or certification, and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey "Participation" or "Membership" or any right of access to information developed or published by an Association Multiple Listing Service where access to such information is prohibited by law.

Section 15.1 Display:

Participants, and those persons affiliated as licensees with such Participants shall be permitted to display the MLS Compilation to prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing and able buyers for the properties described in said MLS Compilation. In addition, Participants that have not specifically declined ("opt-out") may display the current IDX Data on their Internet web sites or selected national aggregator pursuant to these Rules and Regulations and GLVAR's MLS Policies. "Persons affiliated as licensees" in the previous sentence does not include licensees subject to fee waiver under Section 2.7.

Section 15.2 Reproduction:

Participants or their affiliated licensees shall not reproduce any MLS Compilation or any portion thereof except in the following limited circumstances.

Participants or their affiliated licensees may reproduce from the MLS compilation and distribute to prospective purchasers, a reasonable* number of single copies of property listing data contained in the MLS compilation which

relate to any properties in which the prospective purchasers are, or may, in the judgment of the Participants or their affiliated licensees, be interested. "Persons affiliated as licensees" in the previous sentence does not include licensees subject to fee waiver under Section 2.7.

Nothing contained herein shall be construed to preclude any Participant from utilizing, displaying, distributing or reproducing property listing sheets or other compilations of data pertaining exclusively to properties currently listed for sale with the Participant.

Any MLS information, whether provided in written or printed form, provided electronically, or provided in any other form or format, is provided for the exclusive use of the Participant and those licensees affiliated with the Participant who are authorized to have access to such information. (The previous sentence does not apply to licensees subject to fee waiver under Section 2.7.) Such information may not be transmitted, re-transmitted or provided in any manner to any unauthorized individual, office or firm, except over the Internet in the manner authorized by these Rules and Regulations and the GLVAR MLS Policies.

None of the foregoing shall be construed to prevent any individual legitimately in possession of current listing information, sold information, comparable, or statistical information from utilizing such information to support valuations on properties for clients and customers. Any MLS content in data feeds available to participants for real estate brokerage purposes must also be available to participants for valuation purposes, including automated valuations. MLSs must either permit use of existing data feeds, or create a separate data feed, to satisfy this requirement. MLSs may require execution of a third-party license agreement where deemed appropriate by the MLS. MLSs may require participants who will use such data feeds to pay the reasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. Information deemed confidential may not be used as supporting documentation. Any other use of such information is unauthorized and prohibited by these rules and regulations.

*NOTE: It is intended that the Participant be permitted to provide prospective purchasers with listing data relating to properties which the prospective purchaser has a bona fide interest in purchasing or in which the Participant is seeking to promote interest. The term "reasonable" as used herein should therefore be construed to permit only limited reproduction of property listing data intended to facilitate the prospective purchaser's decision-making process in the consideration of a purchase. Factors which shall be considered in deciding whether the reproductions made are consistent with this intent, and thus reasonable in number, shall include, but are not limited to, the total number of listings in the MLS compilation, how closely the types of properties contained in such listings accord with the prospective purchasers expressed desires and ability to purchase, whether the reproductions were made on a selective basis, and whether the type of properties contained in the property listing data is consistent with a normal itinerary of properties which would be shown to the prospective purchaser.

Section 15.3 Limitations on Use of MLS Information:

Use of information from MLS compilation of current listing information, from the Association's Statistical Report, or from any sold or comparable report of the Association or MLS for public mass media advertising by an MLS Participant or in other public representations may not be prohibited.

However, any print or non-print forms of advertising or other forms of public representations based in whole or in part on information supplied by the Association or its MLS must clearly demonstrate the period of time over which such claims are based and must include the following, or substantially similar, notice:

"Based on information from the Greater Las Vegas Association of REALTORS® Multiple Listing Service for the period date _____ through date _____."

Section 15.4

A Multiple Listing Service must, upon request, promptly provide an MLS Participant (or the Participant's designee) a data feed containing, at minimum, all active MLS listing content input into the MLS by or on behalf of the Participant and all of the Participant's off-market listing content available in the MLS system. The delivery charges for the Participant's listing content shall be reasonably related to the actual costs incurred by the MLS. The data feed must be in compliance with the RESO Standards as provided for in MLS Policy Statement 7.90.

Note: MLSs will not limit the use of the Participant's listing content by the Participant or the Participant's designee.

Web API data access provided to participants and subscribers must have no less than the same data available via data access methods such as RETS or FTP systems, and MLS fields that exist in the RESO Data Dictionary must be delivered in conformance with the standard.

Section 16.1 Re-publication of IDX Database on Internet Permitted:

An IDX Subscriber may re-publish all or a portion of the IDX Database on the Internet in accordance with these regulations, and the policies that GLVAR MLS may adopt from time to time. Except as set forth in this section, all other rules and regulations remain in full force and effect. Permission for re-publication is for Internet display ONLY and does not include other means of advertising such as newspapers and magazines.

Participants' consent for display of their listings by other participants pursuant to these rules and regulations is presumed unless a participant affirmatively notifies the MLS that the participant refuses to permit display (either on a blanket or on a listing-by-listing basis). If a participant refuses on a blanket basis to permit the display of that participant's listings, that participant may not download, frame or display the aggregated MLS data of other participants. Even where participants have given blanket authority for other participants to display their listings on IDX sites, such consent may be withdrawn on a listing-by-listing basis where the seller has prohibited all Internet display or other electronic forms of display or distribution.

Section 16.2 Authorization to Display IDX Listings:

An Internet re-publication of another IDX Participant's listing shall not contain more (but may contain less) information than is contained in the data accessed from the GLVAR MLS.

Participation in IDX is available to all MLS participants engaged in real estate brokerage who consent to display of their listings by other participants.

In order to be an IDX Subscriber, the Participant must be actively engaged in providing real estate brokerage services to buyers or sellers and must be an active member of the GLVAR MLS and licensee must hold subscriber's right in this MLS.

Section 16.3 Display of Current Information:

Access to IDX Listings is provided by a listing replacement technique to a mirror image of the MLS database and will be kept current.

Section 16.4 Modification of Data:

Participants shall not modify or manipulate information relating to other participants listings. MLS Participants may augment their IDX display of MLS data with applicable property information from other sources to appear on the same webpage or display, clearly separated by the data supplied by the MLS. The source(s) of the information must be clearly identified in the immediate proximity to such data. This requirement does not restrict the format of MLS data display or display of fewer than all of the available listings or fewer authorized fields.

Section 16.5 Disclosure of Data Source:

The GLVAR MLS approved icon and an explanation that the properties marked with the icon are provided courtesy of the GLVAR IDX Database must appear on any page on which listing data is displayed.

Section 16.6 Display Requirements:

Any search result identifying another IDX Participant's listing in a brief or "thumbnail" format shall bear the GLVAR MLS approved icon or the GLVAR MLS approved thumbnail icon immediately adjacent to the property information to identify the listing as an IDX listing. IDX Subscribers will be provided with the logo and use requirements. Contact information or identified branding of the IDX Subscriber who owns the web site or any of its agents may not be displayed within the body of other IDX Participants listings. A listing display may only include the following: text information about the listing, a photo of the property, the name of the listing Brokerage and the listing agent.

The following text needs to be included on all web pages:

[IDX Logo] "The data relating to real estate for sale on this web site comes in part from the INTERNET DATA EXCHANGE Program of the Greater Las Vegas Association of REALTORS® MLS. Real estate listings held by brokerage firms other than this site owner are marked with the IDX logo.

"GLVAR MLS deems information reliable but not guaranteed."

Verbiage below must be italicized:

Copyright XXXX of the Greater Las Vegas Association of REALTORS® MLS. All rights reserved. (XXXX to be current year).

DMCA NOTICE. GLVAR strongly suggests that Participants publish the GLVAR Digital Millennium Copyright Act (“DMCA”) notice, as set forth in the Data Use Policy, on all websites that display the Listing Data. In addition, GLVAR strongly suggests that each Participant appoint GLVAR as its designated agent to receive notifications of claimed copyright infringement under 17 U.S.C. § 512. Participants who fail to publish the GLVAR DMCA Notice will be at a greater risk of copyright infringement claims.

Any search result producing a detailed display of another IDX Participant's listing shall bear that IDX Participant's name, the listing agent's name; the GLVAR MLS approved icon, and GLVAR MLS's copyright notice (as seen above) immediately following the property information. The IDX Participant's name, GLVAR MLS approved icon, and copyright notice shall be at least as large as the largest type size asked to display the listing data. Displays of minimal information (e.g., “thumbnails”, text messages, “tweets”, etc., of two hundred (200) characters or less are exempt from this requirement but only when linked directly to a display that includes all required disclosures. Furthermore, the IDX Listings may not be shared with any unauthorized third party. Any display of IDX Listings must contain a disclaimer indicating that the information being provided is for the consumers' personal, non- commercial use and may not be used for any purpose other than to identify prospective properties consumers may be interested in purchasing.

Note: An MLS Participant (or where permitted locally, an MLS Subscriber) may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the MLS Participant (or MLS Subscriber) holds participatory rights in those MLSs. As used in this policy, “co-mingling” means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that Participants may display listings from each IDX feed on a single webpage or display.

Display of expired, withdrawn or sold listings* is prohibited.

Note: If “sold” information is publicly accessible, display of “sold” listings may not be prohibited.

Section 16.7 Accuracy of the IDX Database:

Any search result identifying another IDX Participant's listing shall include the disclaimer "Information Deemed Reliable But Not Guaranteed."

Section 16.8 Control of IDX Data:

Any Internet web site used for publication of the IDX Database or any portion thereof must be controlled by an IDX Subscriber and advertised as that IDX Subscriber's Internet web site.

Section 16.9 Protection of Data:

MLS participants and subscribers may not use IDX-provided listings for any purpose other than display as provided for in these rules. This does not require participants to prevent indexing of

IDX listings by recognized search engines.

Section 16.10 Abuse of the IDX Program:

GLVAR MLS will monitor brokers who develop web sites using the IDX Data. If GLVAR MLS finds that an IDX Participant or Subscriber is misusing data, as per IDX Rules and Regulations, that the Participant, Subscriber and Broker will be notified of the wrongdoing by telephone, email and certified mail and be required to correct the problem within 5 business days. If the offending party fails to correct the abuse within 5 business days after initial notification, their IDX feed will be immediately suspended.

Section 16.11 Participation:

Participants must notify the MLS of their intention to display IDX information and must give the MLS direct access for purposes of monitoring/ensuring compliance with applicable rules and policies.

Section 16.12

Listings including property addressees can be included in IDX displays except where a seller has directed their listing broker to withhold their listing or the listing's property address from all display on the Internet (including, but not limited to, publicly-accessible Web sites or VOWs).

Section 16.13

Participants may select the listings they choose to display through IDX based only on objective criteria including, but not limited to, factors such as geography or location ("uptown", "downtown", etc.) list price, type of property, (e.g., condominiums, cooperatives, single family detached, multifamily), type of listing (e.g., exclusive right to sell or exclusive agency). Selection of listings displayed through IDX must be independently made by each Participant.

Section 16.14

Participants must refresh all MLS downloads and IDX displays automatically fed by those downloads at least once every twelve (12) hours.

Section 16.15

Except as provided in the IDX policy and these MLS's rules and regulations, an IDX site or Participant operating an IDX site or user operating an IDX site or displaying IDX information as otherwise permitted may not distribute, provide, or make any portion of the MLS database available to any person or entity.

Section 16.16

Any IDX display controlled by a participant must clearly identify the name of the brokerage firm under which they operate in a readily visible color and typeface. All listings displayed pursuant to IDX shall identify the listing firm, and the email or phone number provided by the listing participant in a reasonably prominent location and in a readily visible color and typeface not smaller than the median used in the display of listing data. For purposes of the IDX policy and

these rules and regulations, “control” means the ability to add, delete, modify and update information as required by the IDX policy and MLS rules and regulations. Displays of minimal information (e.g. “thumbnails”, text messages, “tweets”, etc., of two hundred (200) characters or less are exempt from this requirement but only when linked directly to a display that includes all required disclosures. For audio delivery of listing content, all required disclosures must be subsequently delivered electronically to the registered consumer performing the property search or linked to through the device’s application.

Section 16.17

Any IDX display controlled by a participant or subscriber that:

- a. allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings; or
- b. displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing,

either or both of those features shall be disabled or discontinued for the seller’s listings at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all displays controlled by participants. Except for the foregoing and subject to Section 13.18, a participant’s IDX site display may communicate the participant’s professional judgment concerning any listing. Nothing shall prevent an IDX display from notifying its customers that a particular feature has been disabled at the request of the seller.

Section 16.18

Participants shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property. Participants shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for the property explaining why the data or information is false. However, participants shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment.

Section 16.19

An MLS Participant (or where permitted locally, an MLS Subscriber) may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the MLS Participant (or MLS Subscriber) holds participatory rights in those MLSs. As used in this policy, “co-mingling” means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that Participants may display listings from each IDX feed on a single webpage or

display.

16.20 Brokerage Back Office Feed

That participants are entitled to use, and MLSs must provide to participants, the BBO Data, for BBO Use subject to the Terms below:

“BBO Data” means all real property listing and roster information in the MLS database, including all listings of all participants, but excludes (i) MLS only fields (those fields only visible to MLS staff and the listing participant), and (ii) fields and content to which MLS does not have a sufficient license for use in the Brokerage Back Office Feed.

“BBO Use” means use of BBO Data by participant and subscribers affiliated with the participant for the following purposes:

Brokerage management systems that only expose BBO Data to participant and subscribers affiliated with participant.

Customer relationship management (CRM) and transaction management tools that only expose the BBO Data to participant, subscribers affiliated with participant, and their bona fide clients as established under state law.

Agent and brokerage productivity and ranking tools and reports that only exposes BBO Data to participant and subscribers affiliated with participant.

Marketplace statistical analysis and reports in conformance with NAR MLS Policy Statement 7.80, which allows for certain public distribution.

BBO Use may only be made by participant and subscriber affiliated with participant, except that at the request of a participant, MLS must provide BBO Data to that participant’s designee. The designee may use the BBO Data only to facilitate the BBO Use on behalf of that participant and its affiliated subscribers.

There is no option for participants to opt-out their listings from the Brokerage Back Office Feed Use as defined.

“Terms” mean the following:

MLSs may impose reasonable licensing provisions and fees related to participant’s license to use Brokerage Back Office Feed Data. MLSs may require the participant’s designee to sign the same or a separate and different license agreement from what is signed by the participant. Such provisions in a license agreement may include those typical to the MLS’s data licensing practices, such as security requirements, rights to equitable relief, and dispute resolution terms. (The foregoing examples are not a limitation on the types of provisions an MLS may have in a license agreement.)

Use of roster information may be limited by the MLS participation agreement and license agreements.

Brokerage Back Office Feed Use is subject to other NAR MLS policies and local rules.

MLSs in their reasonable discretion may expand the definition of Brokerage Back Office Feed

Use in conformance with other NAR MLS policies, such as Policy Statement 7.85, which provides that “Use of listings and listing information by MLSs for purposes other than the defined purposes of MLS requires participants’ consent.”

16.21 One Data Source

Requires MLSs to offer their participants a single data feed in accordance with the participants’ licensed authorized uses. The rationale is to create efficiencies for brokers who participate in an MLS and who use MLS data for multiple purposes. The data feed must be in compliance with RESO standards.

Awards: The obligation to arbitrate includes the duty to either 1) pay any awards to the party(ies) named in the award or 2) deposit the funds with the Secretary or Executive Officer to be held in an escrow or trust account maintained for this purpose. Section 19.13

MLS Participants, prior to entering into a representation agreement, have an affirmative obligation to make reasonable efforts to determine whether the prospect is subject to a current, valid exclusive agreement to provide the same type of real estate service.

SECTION 23 VIRTUAL OFFICE WEBSITE (VOW) RULES

Section 23.1 (a): A Virtual Office Website ("VOW") is a Participant's Internet website, or a feature of a Participant's website, through which the Participant is capable of providing real

estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS Listing Information, subject to the Participant's oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a Participant, except one subject to fee waiver under Section 2.7, may, with his or her Participant's consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the Participant's oversight, supervision, and accountability.

- (b) As used in Section 21 of these Rules, the term "Participant" includes a Participant's affiliated non-principal brokers and sales licensees other than those subject to fee waiver under Section 2.7 – except when the term is used in the phrases "Participant's consent" and "Participant's oversight, supervision, and accountability". References to "VOW" and "VOWs" include all VOWs, whether operated by a Participant, by a non-principal broker or sales licensee, or by an Affiliated VOW Partner ("AVP") on behalf of a Participant.
- (c) "Affiliated VOW Partner" ("AVP") refers to an entity or person designated by a Participant to operate a VOW on behalf of the Participant, subject to the Participant's supervision, accountability and compliance with the VOW Policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a Participant. No AVP has the right to use MLS Listing Information except in connection with operation of a VOW on behalf of one or more Participants. Access by an AVP to MLS Listing Information is derivative of the rights of the Participant on whose behalf the AVP operates a VOW.
- (d) As used in Section 21 of these Rules, the term "MLS Listing Information" refers to active listing information and sold data provided by Participants to the MLS and aggregated and distributed by the MLS to Participants.

Section 23.2 (a): The right of a Participant's VOW to display MLS Listing Information is limited to that supplied by the MLS(s) in which the Participant has participatory rights. However, a Participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices.

- (b) Subject to the provisions of the VOW Policy and these Rules, a Participant's VOW, including any VOW operated on behalf of a Participant by an AVP, may provide other features, information, or functions, e.g., Internet Data Exchange ("IDX").
- (c) Except as otherwise provided in the VOW Policy or in these Rules, a Participant need not obtain separate permission from other MLS Participants whose listings will be displayed on the Participant's VOW.

Section 23.3 (a): Before permitting any consumer to search for or retrieve any MLS Listing Information on his or her VOW, the Participant must take each of the following steps:

1. The Participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state

law in connection with providing real estate brokerage services to clients and customers (hereinafter “Registrants”). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.

2. The Participant must obtain the name of, and a valid email address for, each Registrant. The Participant must send an email to the address provided by the Registrant confirming that the Registrant has agreed to the Terms of Use (described in subsection (d) below). The Participant must verify that the email address provided by the Registrant is valid and that the Registrant has agreed to the Terms of Use.
 3. The Participant must require each Registrant to have a username and a password, the combination of which is different from those of all other Registrants on the VOW. The Participant may, at his or her option, supply the username and password or may allow the Registrant to establish its username and password. The Participant must also assure that any email address is associated with only one username and password.
- (b) The Participant must assure that each Registrant’s password expires on a certain date but may provide for renewal of the password. The Participant must at all times maintain a record of the name, email address, username, and current password of each Registrant. The Participant must keep such records for not less than 180 days after the expiration of the validity of the Registrant’s password.
- (c) If the MLS has reason to believe that a Participant’s VOW has caused or permitted a breach in the security of MLS Listing Information or a violation of MLS rules, the Participant shall, upon request of the MLS, provide the name, email address, username, and current password, of any Registrant suspected of involvement in the breach or violation. The Participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant.
- (d) The Participant shall require each Registrant to review, and affirmatively express agreement (by mouse click or otherwise) to, a “Terms of Use” provision that provides at least the following:
1. That the Registrant acknowledges entering into a lawful consumer-broker relationship with the Participant;
 2. That all information obtained by the Registrant from the VOW is intended only for the Registrant’s personal, non-commercial use;
 3. That the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW;
 4. That the Registrant will not copy, redistribute, or retransmit any of the information provided except in connection with the Registrant’s consideration of the purchase or sale of an individual property;
 5. That the Registrant acknowledges the MLS’s ownership of, and the validity of the

MLS's copyright in, the MLS database.

- (e) The Terms of Use Agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the Participant. Any agreement entered into at any time between the Participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the Participant must be established separately from the Terms of Use, must be prominently labeled as such, and may not be accepted solely by mouse click.
- (f) The Terms of Use Agreement shall also expressly authorize the MLS, and other MLS Participants or their duly authorized representatives, to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of Participants' listings by the VOW. The Agreement may also include such other provisions as may be agreed to between the Participant and the Registrant.

Section 23.4: A Participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the Participant to ask questions, or get more information, about any property displayed on the VOW. The Participant, or a non- principal broker or sales licensee licensed with the Participant, must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that Participant and displayed on the VOW.

Section 23.5: A Participant's VOW must employ reasonable efforts to monitor for, and prevent, misappropriation, "scraping", and other unauthorized use of MLS Listing Information. A Participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS.

Section 23.6 (a): A Participant's VOW shall not display listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. The listing broker shall communicate to the MLS that the seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a Participant who operates a VOW may provide to consumers via other delivery mechanisms, such as email, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet.

- (b) A Participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision:

SELLER OPT-OUT FORM

1. Please check either Option a or Option b

OR

b. ☐ I have advised my broker or sales agent that I do not want the address of the listed property to be displayed on the Internet.

2. I understand and acknowledge that, if I have selected option a, consumers who conduct searches for listings on the Internet will not see information about the listed property in response to their search.

c. The Participant shall retain such forms for at least one year from the date they are signed, or one year from the date the listing goes off the market, whichever is greater.

Section 23.7:

a. Subject to subsection (b), a Participant's VOW may allow third-parties: (i) to write comments or reviews about particular listings or display a hyperlink to such comments or reviews in immediate conjunction with particular listings, or (ii) display an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing

b. Notwithstanding the foregoing, at the request of a seller the Participant shall disable or discontinue either or both of those features described in subsection (a) as to any listing of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all Participants' websites. Subject to the foregoing and to Section 21.8, a Participant's VOW may communicate the Participant's professional judgment concerning any listing. A Participant's VOW may notify its customers that a particular feature has been disabled "at the request of the seller."

Section 23.8: A Participant's VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the listing broker about the accuracy of any information that is added by or on behalf of the Participant beyond that supplied by the MLS and that relates to a

specific property displayed on the VOW. The Participant shall correct or remove any false information relating to a specific property within 48 hours following receipt of a communication from the listing broker explaining why the data or information is false. The Participant shall not, however, be obligated to correct or remove any data or information that simply reflects good faith opinion, advice, or professional judgment.

Section 23.9: A Participant shall cause the MLS Listing Information available on its VOW to be refreshed at least once every twelve (12) hours.

Section 23.10: Except as provided in these rules, the NATIONAL ASSOCIATION OF REALTORS® VOW Policy, or any other applicable MLS rules or policies, no Participant shall distribute, provide, or make accessible any portion of the MLS Listing Information to any person or entity.

Section 23.11: A Participant's VOW must display the Participant's privacy policy informing Registrants of all of the ways in which information that they provide may be used.

Section 23.12: A Participant's VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, type of property.

Section 23.13: A Participant who intends to operate a VOW to display MLS Listing Information must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS Participants for purposes of verifying compliance with these Rules, the VOW Policy, and any other applicable MLS rules or policies.

Section 23.14: A Participant may operate more than one VOW himself or herself or through an AVP. A Participant who operates his or her own VOW may contract with an AVP to have the AVP operate other VOWs on his or her behalf. However, any VOW operated on behalf of a Participant by an AVP is subject to the supervision and accountability of the Participant.

Section 23.15: A Participant's VOW may not make available for search by, or display to, Registrants any of the following information:

- a. expired, and withdrawn, listings

Note: Due to the 2015 changes in IDX policy and the requirement that participants are allowed to use MLS listing information through all delivery mechanisms when providing brokerage services, MLSs can no longer prohibit the display of Under Contract No Show (UCNS) listings to the Registrants of a participant's VOW

- b. the compensation offered to other MLS participants
- c. the type of listing agreement, i.e., exclusive right-to-sell or exclusive agency
- d. the seller's and occupant's name(s), phone number(s), or e-mail address(es)
- e. instructions or remarks intended for cooperating brokers only, such as those regarding

showings or security of listed property

Section 23.16: A Participant shall not change the content of any MLS Listing Information that is displayed on a VOW from the content as it is provided in the MLS. The Participant may, however, augment MLS Listing Information with additional information not otherwise prohibited by these Rules or by other applicable MLS rules or policies as long as the source of such other information is clearly identified. This rule does not restrict the format of display of MLS Listing Information on VOWs or the display on VOWs of fewer than all of the listings or fewer than all of the authorized information fields

Section 23.17: A Participant shall cause to be placed on his or her VOW a notice indicating that the MLS Listing Information displayed on the VOW is deemed reliable but is not guaranteed accurate by the MLS. A Participant's VOW may include other appropriate disclaimers necessary to protect the Participant and/or the MLS from liability.

Section 23.18:

A participant shall cause any listing that is displayed on his or her VOW to identify the name of the listing firm, the listing broker or agent, and email or phone number provided by the listing participant in a readily color, in a reasonable prominent location, and in typeface not smaller than the medium typeface used in the display of the listing data.

Section 23.21: A Participant may display advertising and the identification of other entities ("co-branding") on any VOW the Participant operates or that is operated on his or her behalf. However, a Participant may not display on any such VOW deceptive or misleading advertising or co-branding. For purposes of this Section, co-branding will be presumed not to be deceptive or misleading if the Participant's logo and contact information (or that of at least one Participant, in the case of a VOW established and operated on behalf of more than one Participant) is displayed in immediate conjunction with that of every other party, and the logo and contact information of all Participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party.
